you to record your memories of that special event and what it meant to you! This ticket stub organizer is a ticket stub collectors dream and the perfect way to turn a ticket into a gift!

2018-05-02 Todd B. Morse For 105 years, four generations of the Morse family operated, promoted and served as stewards for the natural scenic attraction known as Chimney Rock. Researched, compiled and written by 4th generation manager, Todd Morse, this book provides a detailed, in-depth history of the family's multi-faceted relationship with the mountain until its sale to the State of North Carolina in 2007. Part history book, part business case study, part unique personal perspective and first-person narrative, this work offers a comprehensive exploration into the inner workings and challenges of a family business and the love each generation had for this incredible place. Though originally intended for family members and friends, this paperback will appeal to anyone who has enjoyed visiting Chimney Rock over the years and has curiosity about its human and business history. The book also shares a significant number of wonderful photos taken during these many years. As a fitting end, all the complexities related to the sale and its aftermath are revealed in significant detail, sharing insight into the difficult and emotional decision the family made to protect this North Carolina landmark and jewel for generations to come.

2020-03-13 Paul Richards The Virtual Ticket is for anyone who wants to host next-level engaging experiences for online attendees. This book is full of detailed case studies from innovative event planners who are diversifying their revenue streams with virtual ticket sales. Whether you are a business, sports team, non-profit, event venue or a garage band, this book includes everything you need to know about planning live streams that provide audiences with experiences worth paying for. Adding a virtual ticket option for your next event does more than increase profits. Virtual tickets help expose events to global audiences by increasing convenience and accessibility with new broadcasting and translation tools that are now available. Author Paul Richards is the Chief Streaming Officer for the StreamGeeks, who detail effective strategies for transporting audiences into experiences that will keep them coming back for more. The author outlines from start to finish how conferences can add virtual ticket options to their marketing plans to help event managers budget for the new endeavor. In a fun and easy to understand manner, Richards explains how the multi-billion dollar digital experience economy has been growing year after year. Readers unfamiliar with influencer marketing, live streaming, and online community building will be encouraged to get involved to better understand modern consumer behaviors. A paradigm shift in event marketing will help readers understand how to position virtual tickets as exciting experiences

worth sharing with their friends. Richards draws on innovative thinkers from books such as "Experience Economy", "Growth Hacker Marketing", and "Special Events" to craft a journey that is full of insights and actionable takeaways. If you want to sell virtual access to online experiences, this is the book for you.

2023-09-28 Jules Verne "Ticket No. 9672" is a novel written by the renowned French author Jules Verne. This novel is also known by its original French title, "Billets de Loterie." The story is set in France and revolves around a lottery ticket, ticket number 9672, and the various characters whose lives are affected by it. In "Ticket No. 9672," the lottery ticket becomes a central object that passes through the hands of different people, leading to a series of events and adventures. The novel explores themes of luck, destiny, and the impact of chance events on individuals' lives. As with many of Jules Verne's works, it combines elements of adventure, mystery, and human drama.
