2017-04 Gail Galloway Adams In the cadence of a Texas drawl or the whisper of a midday kiss, these stories capture untidy lives in which the pain of living is confounded with a grin. The Purchase of Order depicts characters from Germany to Georgia, men and women attempting to find meaning within memory, who take joy in giving of themselves.

2008-01-01 Elaine Landau "A basic discussion about the history of the Louisiana Purchase, and how the United States expanded their lands by buying the Louisiana Territory from France"-Provided by publisher.

1995-02-02 J. P. Stern Completed shortly before Professor Stern's death in 1991, this book studies works by twelve major writers of German modernism, including Thomas Mann, Musil, Brecht and Rilke, in relation to the history of the twentieth century. It explores the theme of the "dear purchase," an ideal of moral strenuousness and sacrifice seen as characteristic of Germany after Nietzsche, and reveals the underlying flaw in this notion as a self-justifying value. Finally, it juxtaposes Mann's Felix Krull and Kafka's story "Josephine" as a deliverance from the value-system of the title.

2015-05-05 Peter Roop The big purchase that led to fundamental questions about what America would become In 1803 President

Thomas Jefferson bought the Louisiana Territory from the French for \$15 million, extending the United States beyond the Mississippi River for the first time. Now the United States had big questions to answer: How would Louisiana be governed? How would it be divided? Would it be comprised of free states or slave states? What would happen to the Native Americans? With biographical sketches of the people who helped forge the answers to these questions, such as Lewis and Clark, Napoleon Bonaparte, and of course, Thomas Jefferson, this is the tale of the expansion of the United States into a new territory as well as a new era.

2015-12-08 Francis Thomas Juster The author is concerned with whether or not surveys of consumer anticipations can improve predictions of purchase behavior relative to predictions that use only objective variables obtainable at

the same date. The basic objective of the study is improved predictions of changes over time. Originally published in 1964. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

2013-08-06 Linda Spalding Winner of Canada's 2012 Governor General's Award for Fiction In this provocative and starkly beautiful historical novel, a Quaker family moves from Pennsylvania to the Virginia frontier, where slaves are the only available workers and where the family's values and beliefs are sorely tested. In 1798, Daniel Dickinson, recently widowed and shunned by his fellow Quakers when he marries his young servant girl to help with his five small children, moves his shaken family down the Wilderness Road to the Virginia/Kentucky border. Although determined to hold on to his Quaker ways, and despite his most dearly held belief that slavery is a sin, Daniel becomes the owner of a young boy named Onesimus, setting in motion a twisted chain of events that will lead to tragedy and

murder, forever changing his children's lives and driving the book to an unexpected conclusion. A powerful novel of sacrifice and redemption set in a tiny community on the edge of the frontier, this spellbinding narrative unfolds around Daniel's struggle to maintain his faith; his young wife, Ruth, who must find her own way; and Mary, the eldest child, who is bound to a runaway slave by a terrible secret. Darkly evocative, *The Purchase* is as hard-edged as the realities of pioneer life. Its memorable characters, drawn with compassion and depth, are compellingly human, with lives that bring light to matters of loyalty and conscience. This ebook edition includes a reading group guide.

2018-10-24 Sharon Zukin This accessible, smart, and expansive book on shopping's impact on American life is in part historical, stretching back to the mid-19th century, yet also has a contemporary focus, with material on recent trends in shopping from the internet to Zagat's guides. Drawing inspiration from both Pierre Bourdieu's work and Walter Benjamin's seminal essay on the shopping arcades of 19th-

century Paris, Zukin explores the forces that have made shopping so central to our lives: the rise of consumer culture, the never-ending quest for better value, and shopping's ability to help us improve our social status and attain new social identities.

2019-08-01 Blythe Lawrence In the 1790s, trade was a major part of the U.S. economy. At this time, most goods were sent by boat. So, the country needed cities with ports. The city of New Orleans was especially important. It sits on the Mississippi River, and it borders the Gulf of Mexico. Find out more in *The Louisiana Purchase*, a title in the *Building Our Nation* series. *Building Our Nation* is a series of AV2 media enhanced books. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slideshows, activities, hands-on experiments, and much more.

2020-10-12 Dale Carnegie Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more? Do you wish to expand your horizon, earn new clients and win people over with your ideas? How to Win Friends and Influence People is a well-researched and comprehensive guide that will help you through these everyday problems and

make success look easier. You can learn to expand your social circle, polish your skill set, find ways to put forward your thoughts more clearly, and build mental strength to counter all hurdles that you may come across on the path to success. Having helped millions of readers from the world over achieve their goals, the clearly listed techniques and principles will be the answers to all your questions.

2011-02-22 Anita L. Archer Explicit instruction is systematic, direct, engaging, and success oriented--and has been shown to promote achievement for all students. This highly practical and accessible resource gives special and general education teachers the tools to implement explicit instruction in any grade level or content area. The authors are leading experts who provide clear guidelines for identifying key concepts, skills, and routines to teach; designing and delivering effective lessons; and giving students opportunities to practice and master new material. Sample lesson plans, lively examples, and reproducible checklists and teacher worksheets enhance the utility of the volume. Purchasers can also download and print the reproducible materials for repeated use. Video clips demonstrating the approach in real classrooms are available at the authors' website: www.explicitinstruction.org.

1902 James Quay Howard James Howard has written a history of the Louisiana Purchase that begins with the Louisiana Region in the pre-1700 era. The critical period, he believes, was during the Spanish possession when its leaders began to interact with the fledgling US government and later with John Adams. He moves on to the Great Treaty and then to the purchase. He has also included supplemental reading on notable historical figures and their relation to the purchase.

2008-10 Emerson Hough Emerson Hough (1857-1923) was an American author, best known for writing western stories. Hough graduated from the University of Iowa with a law degree. He moved to White Oaks, New Mexico, and practiced law there but eventually turned to literary work by taking camping trips and writing about them for publication. He is best known as a novelist, writing *The Mississippi Bubble* (1902) as well as *The Covered Wagon* (1922). Hough was also a conservationist, and was the catalyst behind a law passed by the U. S. Congress to protect the buffalo in Yellowstone National Park. His other works include *The Singing Mouse Stories* (1895), *The Girl at the Halfway House* (1900), *The Law of the Land* (1904), *Heartas Desire* (1905), *The Way of a Man* (1907), *54- 40 or Fight* (1909), *The Purchase Price* (1910), *The Man Next Door* (1917), *The Passing of the Frontier* (1918) and *The Sagebrusher* (1919).

2008 María Gerber IEW's Fables, myths, and fairy tales is a delightful tool in helping

teachers and parents of elementary age students teach writing through stories that never grow old. Characters and adventures will capture your student's imagination and provide rich writing content. These lessons are meant to be a resource to teachers and students already familiar with the techniques of Teaching writing: structure and style.

2014-10-21 Gerald A. Browne In Gerald A. Browne's spellbinding New York Times bestseller, a man bent on vengeance infiltrates a cabal of blue-blooded bankers that have taken over the Mafia In a quiet suburb of New York City, a mansion on a gated estate houses one of the most powerful crime syndicates in the United States—an elite Mafia whose dons belong to the finest families that the WASP establishment has to offer. Millions of dollars flow in and out of 19 Purchase Street, toted by bagmen who gladly risk everything to share in the syndicate's profits. Nothing disrupts operations—until a courier gets a dangerous idea. To avenge a loved one's death, Drew Gainer joins the money-laundering scheme, plotting a billion-dollar heist with the help of a beautiful, daring woman and pitting himself against a ruthless opponent. From New York to Paris to Zurich, Gainer risks his life to become the winner who takes all. But who is really conning whom?
