It's everywhere, and it's telling entire generations of people how to travel the world.' □ Fairfax Media (Australia)

2019-10-15 Billy F.K. Howorth Explore the secret history of Lancaster through a fascinating selection of stories, facts and photographs.

2011-02-09 Katia Laura Sidali This book will be a valuable source of information for those concerned with rural and farm tourism, sustainable tourism and the marketing of "Calibri">local gastronomy. It presents cases with an international and interdisciplinary approach in order to provide ideas for strategic perspectives in tourism studies. Furthermore, for the first time the complex fields of rural and food tourism are examined from an international (Italy and Germany) viewpoint. This book explores ways in which gastronomical heritage (i.e., regional food, organic food) can be incorporated in rural tourism (above all farm tourism) and development policies as well as in new avenues of research e.g., sensory marketing, online marketing) in order to enhance sustainable practices both in the tourism and in the agri-food sector. Overall, the book presents an overview of benchmark practices for professionals (associations of rural tourism, farmers, etc.), while offering scholars a well-founded source to refer to in order to gain up-to-date insights into the state of the art of studies on rural and food tourism.

2009-06-21 E. Locken âThe Best Places to Stay in Playa Blanca, Lanzaroteâ in this book we take an in depth look at the best places to stay when on holiday in Playa Blanca, Lanzarote.Selected from more than 2,000 places to stay, these distinct hotels are rated by well-traveled and demanding individuals, whose varied perspectives will

2021-08-24 Guy Hunter-Watts The GR7 is one of Europe's longest GR

long-distance routes, stretching from Tarifa, the southernmost town of continental Europe, through Spain, Andorra and France to Alsace. This guide presents the Andalucian section of the route, which offers well over 700km of fantastic walking through the diverse landscapes of one of Spain's most evocative regions. The route splits at the small village of Villanueva de Cauche, and the guide describes both the northern and southern variants. Although walking is on good footpaths, country tracks and, occasionally, minor roads, some of the stages are long and can involve considerable ascent, meaning that a good level of fitness is required. The full Andalucian GR7 takes well over a month to walk; however, the guide also includes suggestions for highlight sections that can be walked in a week or fortnight. In addition to clear route description, mapping and elevation profiles, the guide provides background information on local history, plants and wildlife, and advice for planning your trip, such as when to go, what to take and where to stay. The route showcases Andalucia's rich history and culture and varied landscapes, which include pine forests, semi-arid desert, snow-capped peaks, fertile plains, lush valleys, olive groves, cultivated terraces and hills of cork woodland. Historic towns and traditional whitewashed villages offer overnight accommodation and a chance to sample local cuisine.

2015-06-09 Rough Guides Explore every corner of this fascinating island (North and South) with the fully revised 10th edition of the Rough Guide to Ireland, including the clearest maps of any guide. Get inspiration from the full-color introduction on where to go and what to see, from Dublin's elegant Georgian architecture and world-renowned pubs to the spectacular landscapes of the Burren and Connemara. Find in-depth, up-to-date descriptions of the best hotels and B&Bs, restaurants, and bars, including the top places to hear Irish music. Learn about Ireland's culture, with expert background on everything from traditional sports and music to history and literature. In addition, you'll find two full-color sections, describing Ireland's exuberant festivals and giving a detailed guide to the best of its underrated food and drink. Make the most of your time on earth with the Rough Guide to Ireland.
