2011-04-15 Vivien Lougheed This is an extensive introduction to this area of Mexico, extracted from our much larger Adventure Guide to the Yucatan. Experience the places you visit more directly, freshly, intensely than you would otherwise -sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique.

"Latest edition of a highly-recommended guidebook to this fascinating corner of Mexico, a region which the authors describe as "a big hitch-hiking thumb." Their interest and hard work has paid off in both editions. The book is loaded with hotel and transportation info, great maps and interesting art work. Eco travelers will love this guidebook. The author provides full details on kayaking, hiking, rappelling, and camping in the region. She also features more out-of-the-way attractions such as natural cenotes, ancient ruins and colonial towns. Of special note -- this is the first guidebook to feature a section on colonial era hacienda hotels, including both luxurious hotels and working haciendas where readers can experience authentic Yucatecan living in fine accommodations that are also economically priced. Indigenous artists in Maya villages are also profiled. As if all this weren't enough, the second edition includes a "Top 20" feature of things to do and see in the Yucatan. By far, this is the most comprehensive guidebook to the region." -- Planeta.com Journal "Comparing your book to Lonely Planet's - your book won hands down on every level. It was AWESOME!" -- Erika Holm "Profiles 49 Maya destinations, excellent trip planning hints, detailed maps and advice from health precautions to getting around." -- Anton Newspapers "Your Yucatan guide is great.....Keep up the good work." -- Bill Bell "I am the author of the thriller/adventure "A Tourist in the Yucatan" and I recently reviewed "Adventures Guide to the Yucatan." In my opinion, this is a "must have" book for the adventure minded traveler! The authors has done an excellent job in putting together the ultimate adventure guide book to the Yucatan. For many travelers, a trip to the Yucatan means mostly sitting on the beach soaking in the sun. The typical tourist only sees a small fraction of what this fascinating section of Mexico has to offer. Inland are ancient Mayan ruins hidden in the jungle and colonial cities that date back to the 1500's. Available activities are diverse from scuba diving on tropical reefs or into cenotes or caves to kayaking, camping, or just getting off the beaten track and meeting the "REAL PEOPLE." This book does a great job of

outlining all the possibilities available in a straight forward and easy to read style. The introduction section should be very helpful to the first time traveler and there are lots of maps to help you find your way." -- James Brunfeld This book offers tons of recommendations for everything from tour operators to restaurants to hotels in every price budget. All are based on first-hand experience from authors who know the Yucatan intimately. Comprehensive background information - history, culture, geography and climate - gives you a solid knowledge of each destination and its people. Regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it's all here! Detailed regional and town maps feature walking and driving tours. Then come the adventures - fishing, canoeing, hiking, rafting, llama trips and more.

Discover why Kelly Jamieson calls the Pilots Hockey series "fun and flirty, warm and sweet." Kristen Katsaros wants a life full of adventure and laughter. After a difficult childhood, her motto is to live each day like it's her last—because it just might be. 2014-06-24 Todd Stevens The starting and ending points for all outreach have to be love. The most effective way to reach people for Jesus is through kindness outreach—showing God's love in practical ways. This type of outreach is what Jesus modeled, is culturally relevant, and values people. The goal should be to invite people to take the next step from where they are. Friendship Community Church, led by Pastor Todd Stevens, has experienced tremendous growth through acts of kindness. The church's most radical kindness project is Nashville Strip Church, founded by Erin Stevens. Erin's life changed when God told her to "go feed the strippers." With home-cooked meals and gift bags, Erin shows dancers that God loves them. How to Pick Up a Stripper and Other Acts of Kindness includes the story of a dancer who has come to know Christ, left the strip club industry through Erin's ministry, and is now serving with Erin to reach other strippers. From feeding the homeless, to Easter egg hunts for special needs children, to ministering in a strip club, How to Pick Up a Stripper and Other Acts of Kindness provides exciting ideas for showing God's love in practical ways. Features include: Stories from kindness outreach events, including Strip

2016-05-16 Erin Mahoney Harris A concern for the environment and a desire to better understand where our food comes from are reflected in today's collective consciousness; millions of people are eager to learn more about the local food movement. Many want to take the movement even farther by growing their own food, composting, and keeping backyard chickens. Visit California Farms, by Southern California local Erin Harris, offers readers options for both education and recreation and is a guide to only the most worthwhile destinations, from upscale B&Bs set among picturesque vineyards to working cattle ranches that offer a genuine cowboy/cowgirl experience. While farm vacation guides have been published for other states in the U.S., no such book covering California—our nation's largest agricultural producer—is currently in circulation. Visit California Farms provides valuable information to parents yearning to teach their children important life skills, outdoors enthusiasts who want to expand their repertoire of experiences, twenty-somethings looking for an affordable vacation, couples in search of new travel experiences, adventurous foodies, hobby gardeners eager to gain new skills, event planners who want to find unique destinations, and even companies looking for innovative team-building retreats.
