 "The queen of beach reads"
 (New York Magazine) delivers
 an immensely satisfying page-
 turner in this tale about a
 summer of scandal at a storied
 Nantucket hotel. Fresh off a
 bad breakup with a longtime
 boyfriend, Nantucket
 sweetheart Lizbet Keaton is
 desperately seeking a second
 act. When she's named the new
 general manager of the Hotel
 Nantucket, a once Gilded Age
 gem turned abandoned
 eyesore, she hopes that her
 local expertise and charismatic
 staff can win the favor of their
 new London billionaire owner,
 Xavier Darling, as well as that
 of Shelly Carpenter, the wildly
 popular Instagram tastemaker
 who can help put them back on
 the map. And while the Hotel
 Nantucket appears to be a
 blissful paradise, complete with
 a celebrity chef-run restaurant
 and an idyllic wellness center,
 there's a lot of drama behind
 closed doors. The staff (and
 guests) have complicated pasts,
 and the hotel can't seem to
 overcome the bad reputation it
 earned in 1922 when a tragic
 fire killed nineteen-year-old
 chambermaid Grace Hadley.
 With Grace gleefully haunting
 the halls, a staff harboring all
 kinds of secrets, and Lizbet's
 own romantic uncertainty, is
 the Hotel Nantucket destined
 for success or doom? Filled
 with the emotional depth and
 multiple points of view that
 characterize Hilderbrand's
 novels (The Blue Bistro, Golden
 Girl) as well as an added dash
 of Roaring Twenties history,
 The Hotel Nantucket offers
 something for everyone in this

compelling summer drama.

 Morgan Merrifield sacrificed
 her teaching career to try to

save her family's bed-and-

 younger sister. She can't let
 herself get distracted by Ryan
 Butler. After all, the rugged ex-
 Special Forces soldier is only in
 Seashell Bay for the summer.
 But her longtime crush soon
 flares into real desire-and with
 one irresistible kiss, she's
 swept away. Ryan values his
 freedom. As much as he wants
 Morgan, he's not ready to

 his code of honor doesn't allow
 him to leave a woman in
 distress-and she's in desperate
 need of help to fix the inn. It
 only takes one day working
 under the same roof and Ryan
 is already hoping for a lifetime
 of hot summer nights . . .

Millie Leclair is a mess, complete with a dead-end career and a flat-lining love life. So when she inherits her great aunt's oceanfront B&B in a resort town in South Carolina's Lowcountry, she doesn't hesitate to pack up her car and set off on a new adventure. It'll be fun. Of course, life seldom goes according to plan. The B&B is barely habitable for one person, let alone ready to open for business. With dwindling funds, Millie has no choice but to roll up her sleeves and tackle the repairs by herself. Yeah, so much fun. Ex-pro golfer Braxton Channing thought being a full-time single parent kept him on his toes. That was before he spotted his new neighbor teetering on her rooftop—which is only the beginning of her long list of renovations for the old house—and he added keeping her safe to his to-do list. But Millie is determined to dive headfirst into repairs regardless of the risk, and suddenly, battling with his daughter over brushing her teeth seems easier than winning an argument with Millie. She's exasperating. And oddly delightful. And most definitely shouldn't be let anywhere near a tall ladder. For a guy who's sworn off romantic relationships, why does he suddenly want to be the one who gets the privilege of watching Millie conquer not just the B&B but his heart as well?

2011-01-01 Lucy Diaz A memoir

2005-01 Sidney Hart In the summer of 1956, Melvin White arrived in the Catskill Mountains to work as a busboy in the dining room of a summer resort hotel. He is there to earn money for college expenses and in search of sex and maybe love. Harlan Hawthorne of Harvard College, and Ron Alter, a tough New York kid, are his roommates. Melvin hopes Harlan will educate him in the ways of seduction and he aspires to apprentice himself to this embodiment of grace and style. But it is street-smart Ron who actually introduces Melvin to sexual opportunities. He also introduces him to the legend of Judge Crater, the notorious jurist who disappeared in August 1930. Is the judge buried in a well on the hotel property or is he living just a few miles away? While trying to answer this question, Melvin meets his first love, Sarah, and is transformed, first by ecstasy and then by a shocking betrayal.

escape about the restorative power of family tradition, small-town community and the feel of sand between your toes Adie Lou Kruger's ex never understood her affection for what her parents called their Cozy Cottage, the charming, ramshackle summer home—complete with its own set of rules for relaxing—that she's inherited on Lake Michigan. But despite the fact she's facing a broken marriage and empty nest, and middle age is looming in the distance, memories of happy childhoods on the beach give her reason for hope. She's determined not to let her husband's affair with a grad student reduce her to a cliché, or to waste one more minute in a career she doesn't love, so it becomes clear what Adie Lou must do: rebuild her life and restore her cottage shingle by shingle, on her terms. But converting the beloved, weather-beaten structure into a bed-and-breakfast isn't quite the efficient home-reno experience she's seen on TV. Pushback from Saugatuck's contentious preservation society, costly surprises and demanding guests were not part of the plan. But as the cottage comes back to life, Adie Lou does, too, finding support in unexpected places and a new love story on the horizon. One cottage rule at a time, Adie Lou reclaims her own strength, history and joy by rediscovering the magic in every sunset and sandcastle. 1884 Chicago and North Western Railway Company This promotional pamphlet provides brief descriptions of popular tourist destinations along the Upper Midwestern route of the Chicago and North-Western Railway in 1884. The Michigan communities of Escabana, Gogebic, Marquette, and

Menominee are included, as are the Minnesota towns of Stillwater, Lake Madison, and Waseca. The information in the entries is not always consistent, but usually includes sites of interest, hotels and rooming houses (with occasional prices), and

commentary on the health-restoring properties of the local air and water. A "How To Get There" section accompanying each entry alerts the reader to the number of trains going to a particular place as well as the best routes to travel. Engravings and a map accompany the text, as do a

few tables analyzing the chemical properties of water. The pamphlet also includes brief descriptions of Yellowstone and other resorts further west, and an advertisement for the Chicago and Northwestern Railway itself.
