"Summer's smells, sounds,
rhythms, and rituals unspool
luxuriantly in this tribute to the
season." —Kirkus Reviews
(starred review) When the days
stretch out like a slow yawn,
and the night is full of crickets
singing . . . then it's time to get
ready for summer! From
fireworks and ice-cream trucks,
to lemonade stands and late
bedtimes, to swimming in the
lake and toasting
marshmallows, there's
something for everyone in this
bright and buoyant celebration
of the sunny season. Tom
Brenner's lovely, lyrical ode to
summers spent outdoors will
strike a chord with anyone
who's ever counted down the
days until school gets out, and
Jaime Kim's jubilant, nostalgia-
soaked illustrations leave little
doubt that summer is indeed a
time unlike any other.

Fourteen-year-old Kati Newman likes her family just the way it is: happy. But just as her summer is about to begin in Cove Lake, Alabama, Kati's attorney father decides to take in a teenager who finds himself alone after his dad is imprisoned. After working so hard to get her family back on track the previous summer, Kati is certain her life is now ruined. Vincent St. John, a brooding, pierced Goth, is barely used to the idea of his new living situation when Kati's godparents invite the family and Kati's secret boyfriend, Alex, along on an expedition to coastal Alabama to help them research why dolphins and whales are mysteriously dying. While Kati struggles to accept Vincent, Alex reveals a telepathic gift that may help solve the puzzle of the dying mammals. As their journey leads them to the Caribbean, a hurricane brews and an evil man lurks in the shadows. But as the storm wreaks havoc and traps the teenagers on a remote island, Vincent divulges a dark secret with the power to transform his destiny. In this young adult mystery, a teenage girl who thinks her summer is going to be a disaster is led on an unforgettable adventure where she discovers love, friendship, and the importance of unconditional acceptance.

2018-05-14 David Sinclair The Summer Resort is a place where people go to relax and unwind. Some families pass through once and move on. Others make it a regular holiday on their family

calendar. Whether you're a family that has been coming to The Resort for over 25 years, a first time couple with young children needing a break, or an adventurous waitress looking for a summer of fun, everyone has a story to tell. This season, things are changing. How will family tensions affect the dynamic of the LaPointe family vacation? Will the staff be able to hold it together and make it through the week, let alone the whole summer? And will Stanley, the kind, hard-working owner, be tempted to sell the only home he's ever really known?

When disaster strikes unexpectedly, Sephora finds that she needs answers. Her desires bring her right back to the time and place of the life-changing event. It happened during the summer after Sephora's sophomore year of high school. She and her brother Isaiah had been making the most of their season passes to the Wild World theme park down the road. It was a summer of excitement and some bonding between two siblings who pretty much ignored each other at school during the past year. Then suddenly an all-important bolt gave way at an inopportune time during a ride they had been enjoying. Sephora woke in the hospital to discover that her injuries were actually minor compared to what others had been put through. Her life had changed in the blink of an eye and she wasn't the slightest bit ready. She especially wasn't ready for

all those sympathetic glances and whispers from everyone when she returned to school at the start of her junior year. Something amazing happened however when she returned to the park toward the end of the season. She recalled that on the day of the life-changing event, an odd man had given her a "Lifetime Pass" shortly after they arrived in the park. That pass had now started giving her access to places and things that made no sense to her. 2019-09-05 The Countess of Carnarvon Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. Christmas at Highclere is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and

Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.

2018-04-10 Darcy Drummond Dancer Summer's life's a mess, driven by destructive urges she barely understands. Now, she's torn between her love for married star comedian Doug, and the brooding Sicilian restaurateur and Family boss Giancarlo. But who will help her become the girl she's determined to be? Or will her wish to punish her father again lead her into disaster?

2021-11-23 Terry Blas In this darkly comedic YA graphic novel, a group of teens starts a program to bring senior citizens to a local theme park to take advantage of the unofficial park policy: If someone dies on the property,

the rest of their party is given lifetime passes! Sixteen-year-old Jackie Chavez loves her local amusement park, Kingdom Adventure, maybe more than anything else in the world. The park is all she and her friends Nikki, Daniel, and Berke—although they aren't always the greatest friends—talk about. Kingdom Adventure is where all Jackie's best memories are, and it's where she feels safe and happy. This carries even more weight now that Jackie's parents have been deported and forced to go back to Mexico, leaving Jackie in the United States with her Tía Gina, who she works with at the Valley Care Living seniors' home. When Gina tells Jackie that they can't afford a season pass for next summer, Jackie is crushed. But on her next trip to Kingdom Adventure, she discovers a strictly protected secret: If a member of their party dies at the park, the

rest of their group gets free lifetime passes. Jackie and her friends hatch a plot to bring seniors from Valley Care Living to the park using a fake volunteer program, with the hopes that one of the residents will croak during their visit. The ruse quickly gets its first volunteer—a feisty resident named Phyllis. What starts off as a macabre plan turns into a revelation for Jackie as Phyllis and the other seniors reveal their own complex histories and connections to Kingdom Adventure, as well as some tough-to-swallow truths about Jackie, her friends, and their future. With artist Claudia Aguirre, Terry Blas has crafted a graphic novel that is dark and deeply moving. This book is Cocoon meets Heathers—a twisted satire about a magical land and the people who love it, even to the point of obsession. Jackie's summer is about to turn into a wild ride filled with gallows humor,

friendship, and fun—or is it?

2021-05-11 Ali Smith From the Man Booker Prize finalist: Seasonal Quartet is a series of four stand-alone novels, separate but interconnected (as the seasons are), wide-ranging in timescale and light-footed through histories, which, when taken together, give us something more—all four united by the passing of time, the timing of narrative, and the endless familiarity yet renewal that the cycle of the seasons is. Grounded in current politics, in the work of artists Pauline Boty, Barbara Hepworth, Katherine Mansfield, and Loretta Mazzetti, and in Shakespeare's four final romances *The Tempest*, *Cymbeline*, *Pericles*, and *A Winter's Tale*, the Seasonal Quartet is "one of modern fiction's most elusive and most important undertakings" (Charles Finch, *The Boston Globe*).
