2021-12-31 MIRA. GRANT We think we understand the laws of physics. We think reality is an immutable monolith, consistent from one end of the universe to the next. We think the square/cube law has actual relevance. We think a lot of things. It was perhaps inevitable that some of them would turn out to be wrong. When the great incursion occurred, no one was prepared. How could they have been? Of all the things physicists had predicted, "the fabric of reality might rip open and giant monsters could come pouring through" had not made the list. But somehow, on a fine morning in May, that was precisely what happened. For sisters Susan and Katharine Black, the day of the incursion was the day they lost everything. Their home, their parents, their sense of normalcy...and each other, because when the rift opened, Susan was on one side and Katharine was on the other, and each sister was stranded in a separate form of reality. For Susan, it was science and study and the struggle to solve the mystery of the altered physics inside the zones transformed by the incursion. For Katharine, it was monsters and mayhem and the fight to stay alive in a world unlike the world of her birth. The world has changed. The laws of physics have changed. The girls have changed. And the one universal truth of all states of changed matter is that nothing can be completely restored to what it was originally, no matter how much you might wish it could be. Nothing goes back.

2019-09-05 The Countess of Carnarvon Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. Christmas at Highclere is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is a celebration of one of the UK's most beloved historic houses and is the

perfect gift for any Downton Abbey fan.

2018-06-18 Scott McElhaney When disaster strikes unexpectedly, Sephora finds that she needs answers. Her desires bring her right back to the time and place of the life-changing event. It happened during the summer after Sephora's sophomore year of high school. She and her brother Isaiah had been making the most of their season passes to the Wild World theme park down the road. It was a summer of excitement and some bonding between two siblings who pretty much ignored each other at school during the past year. Then suddenly an all-important bolt gave way at an inopportune time during a ride they had been enjoying. Sephora woke in the hospital to discover that her injuries were actually minor compared to what others had been put through. Her life had changed in the blink of an eye and she wasn't the slightest bit ready. She especially wasn't ready for all those sympathetic glances and whispers from everyone when she returned to school at the start of her junior year. Something amazing happened however when she returned to the park toward the end of the season. She recalled that on the day of the life-changing event, an odd man had given her a "Lifetime Pass" shortly after they arrived in the park. That pass had now started giving her access to places and things that made no sense to her. Brought to you by the international bestselling author of the Mystic Saga, Dominion, Beyond the Event Horizon, Kepler Moon Alpha, and his newest acclaimed series The Ani Maxima Files. With over 250,000 books downloaded worldwide, Scott McElhaney continues to prove that reasonable Kindle prices do not have to mean poor quality. 2021-11-23 Terry Blas In this darkly comedic YA graphic novel, a group of teens starts a program to bring senior citizens to a local theme park to take advantage of the unofficial park policy: If someone dies on the property, the rest of their party is given lifetime passes! Sixteen-year-old Jackie Chavez loves her local amusement park, Kingdom Adventure, maybe more than anything else in the world. The park is all she and her friends Nikki, Daniel, and Berke—although they aren't always the greatest friends—talk about. Kingdom Adventure is where all Jackie's best memories are, and it's where she feels safe and happy. This carries even more weight now that Jackie's parents have been deported and forced to go back to Mexico, leaving Jackie in the United States with her Tía Gina, who she works with at the Valley Care Living seniors' home. When Gina tells Jackie that they can't afford a season pass for next summer, Jackie is crushed. But on her next trip to Kingdom Adventure, she discovers a strictly protected secret: If a member of their party dies at the park, the rest of their group gets free lifetime passes. Jackie and her friends hatch a plot to bring seniors from Valley Care Living to the park using a fake volunteer program, with the hopes that one of the residents will croak during their visit. The ruse quickly gets its first volunteer—a feisty resident named Phyllis. What starts off as a macabre plan turns into a revelation for Jackie as Phyllis and the other seniors reveal their own complex histories and connections to Kingdom Adventure, as well as some

tough-to-swallow truths about Jackie, her friends, and their future. With artist Claudia Aguirre, Terry Blas has crafted a graphic novel that is dark and deeply moving. This book is Cocoon meets Heathers—a twisted satire about a magical land and the people who love it, even to the point of obsession. Jackie's summer is about to turn into a wild ride filled with gallows humor, friendship, and fun—or is it?
