2022-02-15 Brett Atkinson Lonely Planet's Kauai is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Zip around sea caves on the Na Pali Coast, absorb Grand Canyon vistas in Waimea Canyon, and surf in Hanalei Bay; all with your trusted travel companion. Get to the heart of Kauai and begin your journey now! Inside Lonely Planet's Kauai: Up-to-date information - all businesses were rechecked before publication to ensure they are still open after 2020's COVID-19 outbreak Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sightseeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, people, music, landscapes, wildlife, cuisine, politics Covers Lihu'e, Kapa'a, Hanalei, Po'ipu, Waimea Canyon and more The Perfect Choice: Lonely Planet's Kauai, our most comprehensive guide to Kauai, is perfect for discovering both popular and off-the-beaten-path experiences. About Lonely Planet: Lonely Planet is a leading travel media company, providing both inspiring and trustworthy information for every kind of traveler since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travelers. You'll also find our content online, and in mobile apps, videos, 14 languages, armchair and lifestyle books, ebooks, and more. 'Lonely Planet guides are, quite simply, like no

other.' □ New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveler's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' □ Fairfax Media (Australia)

2009-01-01 National Geographic Maps - Waterproof - Tear-Resistant - Topographic Map Grand Canyon West (#263) and Grand Canyon East (#262) combine to cover the entire Grand Canyon National Park and its bordering public lands. Both maps contain detailed and easy-to-read trail and road networks, locations of facilities, points of interest, and highly accurate terrain with thousands of feature names. Official Grand Canyon Backcountry Use Areas are shown, coded by degree of experience required. Suggested hikes and itineraries, important park regulations, safety tips and contact information make these maps an invaluable resource. Grand Canyon East (#262) contains detailed coverage from the park's northeastern boundary at Glen Canyon to the highly visited areas just west of Grand Canyon village on the south rim (Colorado River miles 0 - 142). Features Included: Colorado River Miles 110-278, Havasu Falls, Mt. Trumbull Wilderness, Mt. Logan Wilderness, Parashant National Monument, Kaibab National Forest, Dead Horse Mesa, Timp Point, Hualapai Indian Reservation, Route 103, Kelly Point, Parashant Canyon Route, Joshua Tree Forest, Grand Wash Cliffs, and more. Grand Canyon West (#263) slightly overlaps with Grand Canyon East and contains detailed coverage from the high visitation areas just west of the Grand Canyon Visitor Center to the western boundary of the park at Lake Mead. (Colorado River miles 110-278). "Sheet Size = 37.75 x 25.50Folded Size = 4.25 x 9.25Scale = 1:90,000"

2006 Thomas Schmidt In 2004, Yosemite National Park attracted 3.3 million visitors, and this new addition to our series of guides designed especially for motorists will help them get the most out of their time in this stunning corner of America. National Geographic has been covering the parks and creating definitive maps for more than a century, a proud tradition that here yields a distinctive, uniquely user-friendly approach to touring Yosemite by car or shuttle bus. Organized with the driver's convenience in mind, these detailed, large-scale topographic maps trace major roads one by one from beginning to end over several pages. Descriptive text runs alongside the corresponding map segment, eliminating the need to flip back and forth to learn where you are and what you're looking at. Once you've located your starting point, you can follow the road with confidence, with each point of interest detailed in a steady progression, letting you focus on the information about the geological, environmental, and human history around you. Highlights include spots to watch for wildlife such as black bear and bighorn sheep; dramatic views and geologic formations; sites of historical importance; and places to look for distinctive wildflowers and other plants. In addition, each map displays visitors centers, ranger stations, hiking trails, aid stations, and more, as well as locations for camping, boating, and fishing. Simple in concept but extremely effective in use, this is an inexpensive,

innovative, and information-packed answer to accessing Yosemite's splendor.

2015-02-10 Waterford Press The Yosemite National Park Adventure Set consists of a Pocket Naturalist Guide and National Geographic Map, offering a perfect resource for travelers wanting "hands on" information on what to see and where to go within Yosemite National Park.

2003-01-01 National Geographic Maps • Waterproof • Tear-Resistant • Topographic Map Coverage includes Arapaho and Pike national forests, Mount Evans Wilderness, Idaho Springs, Georgetown, Montezuma, Keystone, Clear Creek, Chicago Lakes, and Summit Lake. 14ers include: Mt Evans, Mt Bierstadt, Grays and Torreys peaks. Also includes Loveland, Webster, Juniper and Guanella passes. Ski Areas: Arapaho Basin, Loveland and Keystone. Includes UTM grids for use with your GPS unit. 2018-04-16 National Geographic Maps - Trails Illustrated * Waterproof * Tear-Resistant * Topographic Map Colorado is renowned for its outdoor recreational opportunities. One of these pastimes is, of course, backcountry hiking. The Colorado Backpack Loops South Topographic Map Guide covers a dozen backpack loops selected by National Geographic staff for their diversity, remoteness, and inspiring vistas. Each page of the Topographic Map Guide includes a detailed map of the trail with directions to the trailhead from the nearest major town as well as a trail profile with mileages to foreshadow the elevation changes that will be met along the way. GPS coordinates are also provided for strategic points along the trail to help with navigation. The trails are organized by the number of nights backpackers can expect to be in the backcountry, from one to more than three. They range from 10 to 26 miles long with elevation gains from 2,000 to over 9,000 feet. Written descriptions of each trail give an overview of the natural features that will be encountered along the way as well as the length, total elevation gain, and nearest town to each trailhead. This Topographic Map Guide will get you into the wild lands of southern Colorado that most hikers in the country can only dream about. More convenient and easier to use than folded maps, but just as compact and lightweight, National Geographic's Topographic Map Guide booklets are printed on "Backcountry Tough" waterproof, tear-resistant paper with stainless steel staples. A full UTM grid is printed on the map to aid with GPS navigation. Map Scale = 1:40,680 &

1:63,360 Folded Size = 4.25" x 9.38"

2001-06 National Geographic Maps (Firm) These maps are waterproof, tearproof, 100% plastic material, and revised on a regular basis.

2012-08-02 National Geographic Maps • Waterproof • Tear-Resistant • Topographic Map Jam packed with over 500 miles of single-track and multi-use trails, our new National Geographic Trails Illustrated map for the mountain biking mecca of Grand Junction and Fruita, Colorado is ideal for anyone hitting the trails. Like all Trails Illustrated maps, Grand Junction / Fruita blends detailed topography with carefully researched trail information. Rated mountain biking trails with mileages, recommended rides, and difficulty rating charts make this an ideal planning tool for novice and expert alike. An enhanced scale of 1:35,000 (1" = 0.55 Miles) makes it easy to read elevations and identify the numerous trails throughout the area. Grand Junction / Fruita Trails Illustrated is printed on environmentally friendly waterproof/tear-resistant material with low VOC inks at our green-certified printer in Ft. Collins, CO. National Geographic Trails Illustrated maps are developed in conjunction with local land managers and regional experts throughout all phases of the production process. This hands-on approach ensures that our maps have the most accurate and detailed information available. Proceeds from the sale of Grand Junction / Fruita go to support the National Geographic Society's non-profit mission to increase global understanding and promote conservation of our planet through exploration, research, and education. Coverage Highlights - Westwater Mesa and Rabbit Valley - Mack Ridge and Kokopelli Loops - Lunch Loops and Bangs Canyon - North Fruita and 18 Road - McInnis Canyons National Conservation Area - Black Ridge Wilderness - Westwater Canyon - Colorado National Monument - Colorado Riverway - Kokopelli and Tabugache Trails - The towns of Grand Junction and Fruita

2009-01-01 National Geographic Maps Coverage of the Yosemite Valley and Wawona area of Yosemite National Park includes Sierra National Forest, Yosemite Wilderness, Stanislaus National Forest. Yosemite Valley, Pioneer Yosemite History Center, Badger Pass Ski Area. Includes UTM grids for use with your GPS unit.

2017-11-26 Neil Nikirk This Detailed Map Book is meant to accompany the written portion of the Floater's Guide and provide greater detail than the maps provided in the original Floater's Guidebook. As an aid to prospective paddlers, the author is making available these much more detailed maps based on the Garmin TOPO Mexico 1:50,000 scale topographic maps customized to each river using Garmin BaseCamp. These maps include the access points, camps, river

mileage, water sources, hikes, and points of interest included in the mile by mile description in the original Floater's Guide. Together, these two volumes provide the information and mapping resources needed to navigate the rivers of the Yaqui Watershed covered in the Floater's Guide. Upon request and with proof of purchase of this Detailed Map Book, the author will make available these maps in PDF format so that they can be printed out on waterproof paper at the size of your choosing. Contact the author at guidebook@golightoutdoors.com for more information.

2008-03-10 Steve Friess You will find in the Las Vegas guide 5 fold-out maps on the city, and 1 on Grand Canyon + 2 fold-out spreads (Welcome and Transports & Hotels). A choice of 60 sites not to be missed, organised by district. Details of more than 100 restaurants, cafés, theatres, music venues, shops, markets etc. All the practical advice needed. A list of more than 30 places to stay, from budget hotel to luxury palace.
