2010 Katherine DiSavino Farce / 3m, 5f with doubling /Interior Bridget and her Grandmother are about to become roommates. However, what Bridget saw as a unique opportunity to stay with her favorite Nana in New York for the summer quickly turns into an experience she'll never forget. It seems her sweet Grandma is running an illegal boutique from her apartment, selling hand-made naughty knickers to every senior citizen in the five borough area! Will Bridget be able to handle all the excitement? Will her Nana get arres

2006-11-07 Engsens Ho The Graves of Tarim narrates the movement of an old diaspora across the Indian Ocean over the past five hundred years. Ranging from Arabia to India and Southeast Asia, Engsens Ho explores the transcultural exchanges—in kinship and writing—that enabled Hadrami Yemeni descendants of the Muslim prophet Muhammad to become locals in each of the three regions yet remain cosmopolitans with vital connections across the ocean. At home throughout the Indian Ocean, diasporic Hadramis engaged European empires in surprising ways across its breadth, beyond the usual territorial confines of colonizer and colonized. A work of both anthropology and history, this book brilliantly demonstrates how the emerging fields of world history and transcultural studies are coming together to provide groundbreaking ways of studying religion, diaspora, and empire. Ho interprets biographies, family histories,

chronicles, pilgrimage manuals and religious law as the unified literary output of a diaspora that hybridizes both texts and persons within a genealogy of Prophetic descent. By using anthropological concepts to read Islamic texts in Arabic and Malay, he demonstrates the existence of a hitherto unidentified canon of diasporic literature. His supple conceptual framework and innovative use of documentary and field evidence are elegantly combined to present a vision of this vital world region beyond the histories of trade and European empire.

2014-10-28 Anna Quindlen NEW YORK TIMES BESTSELLER A superb love story from Anna Quindlen, the #1 New York Times bestselling author of Rise and Shine, Blessings, and A Short Guide to a Happy Life Still Life with Bread Crumbs begins with an imagined gunshot and ends with a new tin roof. Between the two is a wry and knowing portrait of Rebecca Winter, a photographer whose work made her an unlikely heroine for many women. Her career is now descendent, her bank balance shaky, and she has fled the city for the middle of nowhere. There she discovers, in a tree stand with a roofer named Jim Bates, that what she sees through a camera lens is not all there is to life. Brilliantly written, powerfully observed, Still Life with Bread Crumbs is a deeply moving and often very funny story of unexpected love, and a stunningly crafted journey into the life of a woman, her heart, her mind, her days, as she discovers that life is a story with many levels, a story that is longer and more exciting than she ever imagined. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "There comes a moment in every novelist's career when she . . . ventures into new territory, breaking free into a marriage of tone and style, of plot and characterization, that's utterly her own. Anna Quindlen's marvelous romantic comedy of manners is just such a book. . . . Taken as a whole, Quindlen's writings represent a generous and moving interrogation of women's experience across the lines of class and race. [Still Life with Bread Crumbs] proves all the more moving because of its light, sophisticated humor. Quindlen's least overtly political novel, it packs perhaps the most serious punch. . . . Quindlen has delivered a novel that will have staying power all its own."—The New York Times Book Review "[A] wise tale about second chances, starting over, and going after what is most important in life."—Minneapolis Star Tribune "Quindlen's astute observations . . . are the sorts of details every writer and reader lives for."—Chicago Tribune "[Anna] Quindlen's seventh novel offers the literary equivalent of comfort food. . . . She still has her finger firmly planted on the pulse of her generation."—NPR "Enchanting . . . [The protagonist's] photographs are celebrated for turning the 'minutiae of women's lives into unforgettable images,' and Quindlen does the same here with her enveloping, sure-handed storytelling."—People "Charming . . . a hot cup of tea of a story, smooth and comforting about the vulnerabilities of growing older . . . a pleasure."—USA Today "With spare, elegant prose, [Quindlen] crafts a poignant glimpse into the inner life of an aging woman who discovers that reality contains much more color than her

own celebrated black-and-white images."—Library Journal "Quindlen has always excelled at capturing telling details in a story, and she does so again in this quiet, powerful novel, showing the charged emotions that teem beneath the surface of daily life."—Publishers Weekly "Quindlen presents instantly recognizable characters who may be appealingly warm and nonthreatening, but that only serves to drive home her potent message that it's never too late to embrace life's second chances."—Booklist "Profound . . . engaging."—Kirkus Reviews

2019-09-03 Adi Rule Evangeline has been lonely her whole life. Her mother rarely lets her play outside . . . especially not when it's snowing. It's almost as if she wants to hide her daughter from the world. For as long as she can remember, Evangeline has felt someone missing, like a best friend who moved away, or an imaginary friend she's forgotten. She knows it sounds crazy, but the thought has always given her comfort—the idea that there's someone waiting for her, looking for her. Someone who cares about her. On her birthday, Evangeline finds her window has blown open, and her room is full of snow. There's a message written in the frost. One word. HELPEvangeline learns that she has a sister, a twin, in fact. They were both born in another world—a land of snow and music and ancient magic. Now, someone is calling Evangeline back, and will stop at nothing to lure her into the magical realm where danger lurks.

2017-09-01 Lonely Planet Lonely Planet Kaua'i is your passport to the most up-to-date advice on what to see and skip, and what hidden discoveries await you. Kayak through sea caves along the Na Pali Coast, absorb the grand vistas of the Waimea Canyon, or surf the breaks at beautiful Hanalei Bay; all with your trusted travel companion.

1994 John Vorhaus A straightforward, often humorous workbook approach to comedy writing as creative problem-solving. In it, veteran Hollywood comedy writer John Vorhaus offers his tools of the trade to writers, comics, and anyone else who wants to be funny. Among these indispensable tools are Clash of Context, Tension and Release, The Law of Comic Opposites, The Wildly Inappropriate Response, and The Myth of the Last Great Idea. Readers will learn that comedy = truth and pain (the essence of the comic situation), that fear is the biggest roadblock to comedy (kill the ferocious editor within and rich, useful comic ideas will flow), and much more.
